HOLLAND LITERACY MONTH

The Reading initiative was officially launched at our last General Assembly on January 19 where all students and staff read in the gymnasium at the same time. Holland School is now extending this celebration to include other special reading related activities in hopes to advertise reading for fun. *Comfy Reading, Reading Buddies, Reading with Parents & Book Swap* are good examples.

PLEASE SEND US YOUR PICTURES OF READING MOMENTS / INITIATIVES IN FAMILY !!!

A great adventure begins with READING!
