HOLLAND SCHOOL NEWS

June 10th, 2015

FEW MORE DAYS TO GO

June means the end-of-school year is coming! The school team just wants to remind you that Exams & Evaluations, end of term projects, assignments and presentations are still going on these days. It is of the utmost importance that students be present at school until JUNE 23.

Once evaluations are done, the classroom settings are a bit more relax and smooth at this time of the year but it does not mean that students are not working hard ... part of their educational development is socializing and they will be doing a lot during those last days; educational outings, sports, outdoor activities, cleaning up classrooms and lockers, end-of-year BBQ party etc. It is a time of the year they must enjoy as much as the rest of the school year and we expect that all students will attend school until the end! THANKS!

NEW HOLLAND SCHOOL CLOTHING SALE : LAST REMINDER !

Dear Parents,

In order to develop a high spirit of belonging and visibility amongst our school community, the Holland PPO is officially launching the **NEW HOLLAND SCHOOL CLOTHING SALE!**

ORDER NOW UNTIL JUNE 23. Delivery plan is for September 2015.

Students can try on clothe everyday at recess at the office.

Complete the order form and send along with payment to the school office.

IMPORTANT MEMO FROM SCHOOL OFFICE !

It has been brought to our attention that some students have been making prank calls on the bus and at lunch time using their personal Smart Phone or 3G iPad, placing orders at various companies, such as Normandin, St-Hubert, Domino's Pizza, Qualinet and more ... Sanctions and consequences have been given to all students involved. Such calls could have been made to the 9-1-1 emergency line and consequences would be of a bigger impact, we want to avoid this to happen!

The use of such electronic devices on the bus should strictly be for the students personal use and entertainment while traveling for these long periods of time.

We encourage you to discuss the issue at home with your child and to use this opportunity as a learning experience for him/her whether or not they were involved. Any similar incident should be reported immediately to the office for immediate actions to be taken! Thanks!
