DRESS CODE RULE

The nice weather is finally back so are shorts and T-shirts. Holland school dress code will be reinforced during the Spring season and the school team wishes to remind you to always dress appropriately for the place you are in. School is a public place where a certain dress code must be respected. As written in the school agenda:

1. **All skirts, dresses or shorts MUST BE MID-THIGH or LONGER.**
2. **Bra straps should not be exposed. Sleeveless tops and tank top straps must be wide enough to cover undergarments.**

Any students not respecting this dress code will be asked to change clothes or sent to the office to be provided temporarily with appropriate clothes.
